

2026-27 EdChoice Scholarship Information

Hello Parents,

As you fill out registration forms for the 2026-27 school year, it is also time to complete your EdChoice Scholarship application. Please complete all forms which can be found on Gradelink, under attachments. Then, print these forms and send into school along with a copy of a current utility bill (less than 90 days old). The utility (electric, gas, water, sewer, cable/internet, sanitation) bill MUST SHOW MATCHING SERVICE AND MAILING ADDRESSES in the name of the parent/guardian. We can then submit your application to the Ohio Board of Education. All parents of students receive scholarship funds; the amount varies by income.

If you have received the EdChoice Scholarship previously for your child(ren), please fill out the "Renewal" form(s). If your child(ren) is receiving the Ed Choice Scholarship for the first time, you will complete the Request Form (it does not say "renewal" at the top). The forms can also be found on the following site.

<https://education.ohio.gov/Topics/Other-Resources/Scholarships/EdChoice-Scholarship/EdChoice-Resources>

In addition, all forms will be available on the Lial website under "Resources".

Please have all EdChoice forms in by March 13, 2026

If you have any questions, please feel free to email me @ mswint@lialschool.org
